

Construction Committee

Purpose: Oversees coordination and scheduling of rebuilding and construction projects in East Baton Rouge Parish.

Some cases brought to the East Baton Rouge Parish Long Term Recovery Committee may require some rebuilding or construction. The Construction Committee will:

- Act as project manager over construction projects
- Coordinate with the Volunteer committee to deploy volunteers to construction sites.

Meetings: Meetings for the Construction committee have not been arranged and will depend on the availability of the group. You will be contacted by email or phone when the first meeting is established.
