

# DAY OF CARING

## Livingston Project Listing

Currently, there are no projects available for adoption in this parish. Capital Area United Way (CAUW) is working diligently with community leaders to solicit the needs of this parish. Please check back every Monday of every week for an update on progress. Until then, CAUW strongly encourages you to review projects from other parishes for more volunteer opportunities.

If you have an idea for a community project, please contact Kim Haddox at (225) 382-3512 or email [DayofCaring@cauw.org](mailto:DayofCaring@cauw.org) to submit your idea. Thank you.
